

Hear what several of our 2007 Corporate Sponsors have to say...

Here Everything's Better.

H-E-B was proud to be the Title Sponsor for the HEB Houston Children's Festival for the fourth year. This is such an *awesome* event that just keeps getting bigger and better year after year. The positive, exciting and family-friendly environment is a perfect venue for reaching thousands of families who visit the event. We thoroughly enjoyed partnering with the great folks from Child Advocates, Inc and The Health Museum in the H-E-B Kids Kingdom area to provide games, crafts and educational activities for children of all ages.

Since 2001, Baker Hughes has been proud to support Child Advocates, when our Community Impact Team of employee volunteers selected the organization as the primary focus of our community service efforts. Once again this year, we were honored when Child Advocates and the HEB Houston Children's Festival asked us to remain the Presenting Sponsor of the 2007 event, which turned out to be another fantastic success! The Baker Hughes team looks forward to continuing our support of Child Advocates and the HEB Houston Children's Festival in their mission to improve the lives of at risk children.

Year after year, the H-E-B Houston Children's Festival is a terrific event for families in our area. Our sponsorship is a great value and our volunteers love the festival. Best of all, the festival supports Child Advocates and the children in our community who need our help most.

This was SABIC's first year to sponsor the HEB Houston Children's Festival and what a terrific cause. We were so pleased to see the outcome from the sponsors and staff along with all the families coming together to support such a great cause. Our volunteers were honored to be apart of such a wonderful event and can't wait to do it again next year.

We have been privileged to partner with our children programming network such as Nickelodeon, Disney Channel, Family Channel and Discovery Channel's Animal Planet to provide fun, exciting and entertaining performances on the Time Warner Kids Only Stage. Time Warner Cable's community outreach initiatives are focused on children, the arts and education...the H-E-B Houston Children's Festival fundraiser for Child Advocates, Inc. is a perfect match."
